

# PARTNER TRAINING DAYS

29-30 September 2026 - Remicourt, Belgium

Dear Distributor, Dear Partner,

We invite you to join our TRAINING DAYS from 29-30 September 2026 at our Head Office in Belgium.

You will receive commercial and technical training on DALEMANS Gas Detection products. We will cover practical exercises in car parks, cooling, heating and laboratory applications. You will also learn about our latest developments and will have the opportunity to visit our R&D and manufacturing facilities.

## LOCATION

This training will take place at our Head Office in Remicourt, Belgium.

You will stay at Hotel PENTA in Liege. Please book and pay your room directly with the hotel by June 30 the latest. All the details of the services and their costs can be found on page 4.

A shuttle bus will be organized between the hotel and the DALEMANS head office.

[Book your room here](#)

## REGISTRATION

This training is open to approved DALEMANS distributors with a signed-NDA in place.

The participation in this training is free.

Each participant is required to bring his own laptop (at least Windows version 11).

With this training you will receive your maintenance kit as well as access to our software tools.

Please register for the TRAINING DAYS using the following link:
